

Proctor Silex® Compact 2-in-1 Steamer / Iron

This versatile steamer and iron combo is a must have for travel and to keep within reach in your closet. Portable and lightweight, this steamer doubles as an iron, heats up fast and is safe and simple to use on all fabrics.

Versatile, Portable and Lightweight – Keep this compact steamer/iron on hand to smooth everything from linen and wool to silk and synthetics. It is also great for quick steaming and iron touch ups and packs easily.

Less Waiting – Quickly steam an outfit as you head out the door to work or on-the-go while you travel. The steamer heats up in just 45 seconds to quickly provide powerful wrinkle removal.

Double Duty – The non-stick ironing plate on the front of the steamer heats up quickly to help you iron shirts, crease pants or press out the most stubborn wrinkles.

Easy to Use, Plenty of Reach – Simply plug in and press the steam button to activate the steamer. At 10 feet, the extra-long cord provides plenty of reach when and where you need it.

Fabric Brush for Deep Steaming – This steamer/iron includes a detachable fabric brush perfect for releasing stubborn wrinkles from heavy fabrics, curtains and upholstery.
