

## Proctor Silex® Portable Meal Warmer

Easily carry, reheat, and warm cooked meals on the go. It's great for leftovers, soups, chili, pasta, last night's dinner, and more. Why settle for a cold sandwich when you can have a nourishing, hot meal? Quickly move food from the fridge to the meal warmer in one pot. The inner pot and lid are removable and perfect for storing leftovers and keeping food fresh in the fridge until you're ready to heat them up.

**Hot, hearty meals on the go** – Easily carry, reheat, and warm cooked meals wherever you go with the portable food warmer. It's perfect for making a hot lunch out of last night's leftovers. Great for casseroles, chili, soups, pasta dishes, mac and cheese, and more.

**Quickly go from fridge to meal warmer in same pot** – The inner pot and lid are removable and perfect for storing leftovers and keeping food fresh in the fridge until you're ready to heat them. Just insert the pot into the meal warmer, heat, and enjoy!

**The perfect size for lunch** – The food warmer holds 20 oz. of food, the perfect size for any meal on the go.

**Easy to carry** – The portable lunch warmer has a convenient built-in handle that makes it easy to carry. The inner and outer lids also seal food in to prevent spills during transport.

**Versatile — 2 heat settings** – The electric lunch box is versatile with 2 heat settings to choose from, high and low. High is perfect for reheating leftovers from the refrigerator, while low works great for warming foods like soup from the can.
