

## Proctor Silex® High Performance Blender

**Simply Better** – With intuitive, multi-speed controls, you'll love how easy it is to create smoothies, milkshakes or even soups. Experiment with your kitchen creations by chopping vegetables for salsa, pureeing soups and blending cocktails.

**Easily Serve & Add Ingredients** – The convenient pour spout on the blending jar reduces messy drips to make serving easy. The filler cap on top of the lid allows you to slowly add oil to make an emulsified salad dressings or mayonnaise. You can also add spices or other ingredients to create your favorite homemade sauces.

**Built to Last** – This blender combines durability with power and exceptional performance, without the extra parts you don't need. It's made with high-quality materials for years of effortless use and blending tough ingredients, frozen fruit and ice. It's backed by a three-year limited warranty.

**Versatile Glass Jar** – The 52-ounce MultiBlend® jar is durable and designed to blend food or beverages. It will withstand extreme temperature changes so blending a frozen cocktail before pureeing hot soup for dinner is no problem.

**Quieter Blending** – Make your morning smoothies without waking up the whole house. The base's new and improved, patented design is engineered to dampen motor noise.
