

Proctor Silex® 5 Speed Hand Mixer

Simply Better – Up your mixing game with the sleek and modern look of this new, yet simple to use hand mixer by Proctor Silex. Control five speeds of mixing and an extra boost of power all within easy reach. The patent pending cord design will stay out of the way for both left and right-handed mixing.

No More Messy Splatters – Whether you are mixing cake batter or incorporating flour into your cookies, the Slow Start™ technology keeps your ingredients in the bowl and off of your countertops. The built in bowl rest will come in handy when you need to pause mixing.

Built to Last – This hand mixer combines durability with high torque power and exceptional performance. It's made of high-quality materials for years of use and comes with a standard three year warranty.

What's Included? – Two dishwasher safe stainless steel beaters that quickly and easily detach from the base.
