

## Proctor Silex® Steam Iron with Retractable Cord

Stubborn wrinkles don't stand a chance against the Proctor Silex Steam Iron with Retractable Cord. Powerful steam smooths with ease and a long cord makes it easy to move around, then retracts for neat storage.

**Durable and Precise** – This steam iron has a durable stainless steel soleplate that glides effortlessly over fabrics. And a precision tip to access small or hard-to-reach areas.

**Peace of Mind** – This steam iron includes 3-way auto shutoff for safety and peace of mind. It automatically shuts off within one minute if it falls on its face or side. The iron shuts off in 30 minutes if left unattended on its heel. Featuring motion-sensitive technology, the iron quickly turns back on with use.

**Excellent Performance** – High-velocity steam removes wrinkles quickly. Even the most wrinkle prone fabrics, such as linen and canvas, are no match for this iron's powerful steam. Adjustable steam, spray and blast makes it easy to target stubborn wrinkles.

**Easy to Fill and Store** – This durable steam iron features a large water opening, making it easy to fill and reduce spills. Storage is made simple with an 8 foot cord that retracts for easy, neat storage.
