

Proctor Silex® 6-Quart Double-Dish Slow Cooker

Whether you need to make one big meal for the whole family, two separate meals for picky eaters, or a couple of appetizers or side dishes, the Proctor Silex® 6-Quart Double-Dish Slow Cooker does it all. Cook large meals or prepare two smaller dishes. The crock holds a 6 lb. chicken or a 4 lb. roast and serves 7+ people. It's perfect for making large meals of chili, beef stew or lasagna.

Cook in 6 Quart Crock or 2 Nonstick Inserts –

Cook a whole meal in the 6-quart crock or prepare 2 smaller dishes in the 2.5-quart nonstick inserts. They fit inside the large crock any time you need to slow cook two foods at the same time.

Easily Cook Delicious Meals – This Proctor Silex slow cooker has simple manual controls that make it easy to create delicious meals with minimal effort and great results. Just turn the dial to choose keep warm, low or high settings. No watching needed.

Feeds the Whole Family – The 6-quart slow cooker has a stoneware crock that's perfect for one-pot meals, meat and poultry. It will hold a 6 lb. chicken or a 4 lb. roast. Serves 7+ people.

Easy to Clean – The removable stoneware crock, nonstick inserts and glass lid are dishwasher safe and easy to clean. The crock can also be used in the oven or microwave.

Durable Design – This durable slow cooker is built to last and has full-grip handles and knobs that are easy to grasp. The full-grip handles make it easy to carry the slow cooker to the table to serve a meal or when packing it away.
