Proctor Silex® Crepe Maker

Crepes in The Comfort of Your Home – There's no need to go out for brunch when you can enjoy crepes you would order at a restaurant in your kitchen instead. Fill your morning, and crepes, with something sweet. Experiment with savory fillings or other fresh ingredients on the large 13-inch cooking surface.

Great for All Meals – The crepe maker doubles as a griddle and is perfect for quickly making bacon and eggs for everyone in your household. Cook up some savory mushroom and gruyere crepes for dinner or enjoy a raspberry ricotta crepe dessert for a sweet ending to your meal.

Versatile Heat Levels – Choose from eight heat levels to precisely control the brownness of your crepes, pancakes, tortillas and other foods. Use the medium setting for crepes with a perfectly golden finish or slide the level to a higher setting for darker crepes.

Easy to Use and Clean – The ready indicator light illuminates when the crepe maker is ready. The included cup will scoop just the right amount of batter and the batter spreader pushes it to help cover the entire surface with no mess. The extra-large spatula was specifically designed to make flipping and folding your crepe effortless. The nonstick surface easily wipes clean after cooling and all accessories are dishwasher safe.

DETAILS

Proctor Silex® Crepe Maker

Model: 38400PS

MSRP: \$44.99
